

Advent Buddies

Our Advent Buddy project begins next week...SHHHHH!
First Graders will each have the name of a classmate who they will be extra kind and helpful to during this season of Advent. Their Buddy's name should remain a secret until our BIG REVEAL right before Christmas Break. The best gifts of the season are the ones we give from our hearts, **in class** we will be making very special ornaments to give to our Advent Buddy.

Class Christmas Cards

Students may create one Christmas card that will be displayed for the whole class to enjoy. Cards may only be the size of a regular sheet of construction paper. Please do not send in individual cards.
